Dear Mr. Sundstrom:

We have just received copies of our 1945 Report, which we are glad to now send to you.

Today we received copies of the newspaper concerning your work, which was a very thoughtful thing to do. I cannot comment upon it at this time as I must have it translated. For your interest, we are awaiting the arrival at Bridge House of a man whom we are assisting, who was born in Sweden, and he will translate the material for us.

With all good wishes for your continued success,

Sincerely,

A handwritten signature in cursive script, reading "Edward J. McGoldrick, Jr.", written in dark ink.
